

Name: _____

Safe Or Not Safe?

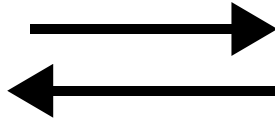

Read, cut out, and glue the pictures to show how to walk and wheel safely in a roundabout.

Yes, it is Safe

Waiting for a safe gap
in traffic to cross

Looking both ways
and behind you

Making eye contact
with a driver

Using the splitter
island

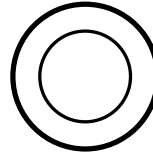

Staying alert when
crossing

No, it is Not Safe

Crossing to the centre
island

Crossing without
looking around you

Riding your wheels
when crossing

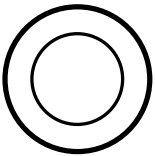

Crossing when a car
is in the roundabout

Wearing headphones
or looking at a phone
