

## Announcements

Teachers, did you see the new Climate Change Toolkit by Active and Safe Routes to School? Try the Active Travel Story activity to celebrate international walk to school day and month. Submission are due by October 31st for a chance to win a prize. Visit <http://activesaferoutes.ca/story> for more details.

CONTEST ALERT! Elementary teachers, have your class enter a story about their active journey to and from school for a chance to win a prize. For more details, visit <http://activesaferoutes.ca/story>.

October is International Walk to School Month, and to celebrate, you can share what YOU like about walking or wheeling to school or your bus for a chance to win a prize! Create a picture book, story or video and submit by October 31st. For details visit <http://activesaferoutes.ca/story>

Active school travel is when you use your own energy to get to and from school or the bus stop, such as walking, biking, and wheeling. It's good for our health, community and the environment, but this year for international walk to school month, we want YOU to tell what YOU like the most about walking or wheeling to school or bus stop. Submit your story, picture book or video by October 31st for your chance to win a prize. Visit <http://activesaferoutes.ca/story>

Wednesday, October **INSERT DATE** is international walk to school day 2019. Share with others how you are helping our environment by walking to school or the bus stop by submitting a picture book, story or video. Submit by October 31st for a chance to win a prize!

Let's get more students walking and wheeling to school or their school bus. Tell us why YOU do it. Write and share a story, picture book or video about your journey by October 31st for a chance to win a prize. See details at <http://activesaferoutes.ca/story>

Walk to School Day is over. Now what? Create and Submit a picture story, video or story about what you like about active travel to school or your bus stop by October 31st, for a chance to win a prize. Details at <http://activesaferoutes.ca/story>

Is School Travel Planning at YOUR school? Need ideas to improve active school travel? Let's hear from those that do by sharing your stories, picture books or videos. Submit by October 31st for your chance to win a prize. Go to <http://activesaferoutes.ca/story>

Teachers, looking for a student or classroom activity to raise awareness of the benefits to active school travel? How about writing or drawing about it. Create and share your work at <http://activesaferoutes.ca/story> by October 31st for a chance to win a prize
