

Wayfinding Signs

Attention all TVDSB and LDCSB Schools! Are you trying to start of the new school year on a high note? Well, let's begin the year by getting children and families more active through walking and wheeling to and from school. These blue wayfinding signs tell you how far away from the school you are. Not only do they build community awareness of the school zone, but they also make active travel easy and safe!

Learn more by visiting us on our website at <http://www.activesaferoutes.ca/wayfinding>. To participate in wayfinding signs, please contact info@activesaferoutes.ca!
